Mountain Province Diamonds Provides Corporate Update

Toronto and New York, March 7, 2017 – Mountain Province Diamonds Inc. (“Mountain Province”, the “Company”) (TSX and NASDAQ: MPVD) today announced the completion of the second sale of Gahcho Kué diamonds at which the Company sold 277,646 carats. The Company received bids on all parcels offered, including unsold parcels carried over from the January sale, and sold all the parcels offered.

The Company’s third sale of approximately 193,900 carats of Gahcho Kué diamonds is scheduled for late March 2017. Detailed results of the cumulative first quarter sales will be released with the Company’s Q1 2017 financial results. Diamond sales will continue to occur once every five weeks and all future sales results will be reported with the Company’s quarterly and annual financial results.

Mountain Province Diamonds is a 49% participant with De Beers Canada in the Gahcho Kué diamond mine located in Canada’s Northwest Territories. Gahcho Kué consists of a cluster of four diamondiferous kimberlites, three of which have a probable mineral reserve of 34.88 million tonnes grading 1.57 carats per tonne for total diamond content of 54.64 million carats.

Gahcho Kué is the world’s largest and highest grade new diamond mine. A 2014 NI 43-101 feasibility study report filed by Mountain Province (available on SEDAR) indicates that the Gahcho Kué project has an IRR of 32.6%.

processing rates, production and sales volumes, cash costs, operating cash flows, capital expenditures, debt management initiatives, exploration efforts and results, development and production activities and costs, liquidity, tax rates, the impact of diamond price changes, reserve estimates, and future dividend payments. The words “anticipates,” “may,” “can,” “plans,” “believes,” “estimates,” “expects,” “projects,” “targets,” “intends,” “likely,” “will,” “should,” “to be,” “potential” and any similar expressions are intended to identify those assertions as forward-looking statements. Under its current project finance facility Mountain Province is not permitted to pay dividends on common stock unless and until obligations under the facility have been satisfied. The declaration of dividends is at the discretion of Mountain Province’s Board of Directors, subject to restrictions under the Company’s project finance facility, and will depend on Mountain Province’s financial results, cash requirements, future prospects, and other factors deemed relevant by the Board.

Mountain Province cautions readers that forward-looking statements are not guarantees of future performance and actual results may differ materially from those anticipated, projected or assumed in the forward-looking statements. Important factors that can cause Mountain Province’s actual results to differ materially from those anticipated in the forward-looking statements include supply of and demand for, and prices of, diamonds, mine commissioning, mining sequencing, production rates, cash flow, industry risks, regulatory changes, political risks, labor relations, weather- and climate-related risks, environmental risks and other risk factors.

Investors are cautioned that many of the assumptions upon which Mountain Province’s forward-looking statements are based are likely to change after the forward-looking statements are made, including for example diamond prices, which Mountain Province cannot control, and production volumes and costs, some aspects of which Mountain Province may not be able to control. Further, Mountain Province may make changes to its business plans that could affect its results. Mountain Province disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by law.
