## MANAGEMENT INFORMATION CIRCULAR (all information as at August 2, 2007 unless otherwise noted)

### PERSONS MAKING THE SOLICITATION

This management information circular is furnished in connection with the solicitation of proxies being made by the management of Mountain Province Diamonds Inc. ("Corporation") for use at an annual and special meeting of the Corporation's shareholders ("Meeting") to be held on Wednesday, September 12, 2007 at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone by directors, officers and employees of the Corporation.

All costs of this solicitation will be borne by the Corporation.

### APPOINTMENT OF PROXIES

The individuals named in the accompanying form of proxy ("**Proxy**") are directors or officers of the Corporation.

**A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON OR CORPORATION (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR THE SHAREHOLDER AND ON THE SHAREHOLDER'S BEHALF AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE PROXY AND STRIKING OUT THE TWO PRINTED NAMES, OR BY COMPLETING ANOTHER PROXY.** A proxy will not be valid unless it is completed, dated and signed and delivered to Computershare Trust Corporation of Canada ("**Computershare**"), Toronto Office, Proxy Department, at 100 University Avenue, 9<sup>th</sup> Floor, Toronto, Ontario, Canada M5J 2Y1 not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting. For general inquiries, shareholders may contact Computershare as follows:

By Phone: 1-800-564-6253  
By Fax: 1-866-249-7775 (within North America)  
By Fax: (416) 263-9524 (outside North America)  
By Email: [service@computershare.com](mailto:service@computershare.com)

### NON-REGISTERED HOLDERS

Only registered shareholders or duly appointed proxy holders are permitted to vote at the Meeting. Most shareholders of the Corporation are "non-registered" shareholders because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust Corporation through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of the person (the "**Non-Registered Holder**") but which are registered either: (a) in the name of an intermediary ("**Intermediary**") that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for

Securities Limited ("**CDS**") of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice of Meeting, this Information Circular and the Proxy (collectively, "**Meeting Materials**") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a Proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the Proxy, the Proxy is not required to be signed by the Non-Registered Holder. In this case, the Non-registered Holder should otherwise properly complete the Proxy and **deliver it to Computershare Trust Corporation of Canada** as provided above; or
- (b) more typically, be given a voting instruction form **which is not signed by the Intermediary**, and which, when properly completed and signed by the Non-Registered Holder and **returned to the Intermediary or its service Corporation**, will constitute voting instructions (often called a "**proxy authorization form**") which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed Proxy accompanied by a page of instructions, which contains a removable label containing a bar code and other information. In order for the Proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the Proxy, properly complete and sign the Proxy and return it to the Intermediary or its service Corporation in accordance with the instructions of the Intermediary or its service Corporation.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares, which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the management proxy holders and insert the Non-Registered Holder's name in the blank space provided. **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the Proxy or proxy authorization form is to be delivered.**

### **REVOCATION OF PROXIES**

A shareholder who has given a Proxy may revoke it by an instrument in writing executed by the shareholder or by the shareholder's attorney authorized in writing or, if the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Corporation, at 401 Bay Street, Suite 2700, P.O. Box 152, Toronto, Ontario, Canada M5H 2Y4 at any time up to and including the last business day preceding the day of the Meeting or any adjournment of it, or to the chair of the Meeting on the day of the Meeting or any adjournment of it. **Only registered shareholders have the right to revoke a Proxy. Non-Registered Holders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf.**

A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

## EXERCISE OF DISCRETION

If the instructions in a proxy are certain, the shares represented thereby will be voted on any poll by the persons named in the proxy, and, where a choice with respect to any matter to be acted upon has been specified in the proxy, the shares represented thereby will, on a poll, be voted or withheld from voting in accordance with the specifications so made.

**Where no choice has been specified by the shareholder, such shares will, on a poll, be voted in accordance with the notes to Proxy.**

The enclosed Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the person(s) appointed proxy holders thereunder to vote with respect to any amendments or variations of matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of the printing of this Information Circular, management of the Corporation knows of no such amendment, variation or other matter which may be presented to the Meeting.

## APPROVAL OF MATTER

Unless otherwise noted, approval of matters to be placed before the Meeting is by an "ordinary resolution" which is a resolution passed by a simple majority (50%+1) of the votes cast by shareholders of the Corporation present and entitled to vote in person or by proxy.

## VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Currently, the Corporation has issued and outstanding 59,723,531 fully paid and non-assessable common shares without par value, each share carrying the right to one (1) vote. The common shares of the Corporation are listed on the Toronto Stock Exchange (the "TSX") under the symbol 'MPV' and on the American Stock Exchange (the "Amex") under the symbol 'MDM'. **The Corporation has no other classes of voting securities and does not have any classes of restricted securities.**

Any shareholder of record at the close of business on August 2, 2007 who either personally attends the Meeting or who has completed and delivered a proxy in the manner specified, subject to the provisions described above, shall be entitled to vote or to have such shareholder's shares voted at the Meeting.

To the best of the knowledge of the directors and executive officers of the Corporation, the only person who, or corporation which, beneficially owns, directly or indirectly, or exercises control or direction over, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Corporation, is:

Name of Shareholder <sup>(1)</sup>	No. of Shares Held	Percentage of issued and outstanding share capital of 59,723,531 shares (as at August 2, 2007)
Bottin (International) Investments Ltd. (controlled by Dermot Desmond)	13,253,430	22.19%

To the best of management's knowledge, and except as set out in the proceeding paragraphs below, no proposed director is, or has been within the last ten years, a director or executive officer of any Corporation that, while that person was acting in that capacity:

- (a) was the subject of a cease trade or similar order or an order that denied the relevant Corporation access to any exemption under securities legislation, for a period of more than 30 consecutive days;
- (b) was subject to an event that resulted, after the director or executive officer ceased to be a director or executive officer, in the Corporation being the subject of a cease trade or similar order or an order that denied the relevant Corporation access to any exemption under securities legislation, for a period of more than 30 consecutive days; or

The cease trade order was made because Eurasia failed to file its audited financial statements for the year ended December 31, 2006, management's discussion and analysis relating to the audited annual financial statements for the year ended December 31, 2006, and annual information form for the year ended December 31, 2006 (collectively, the "**Year-End Financial Documents**"). ## **Board Composition and Independence from Management**

### ***Unrelated Directors***

An "unrelated" director, under the TSX guidelines, is a director who is free from any interest and any business or other relationship which could, or could reasonably be perceived, to materially interfere with the director's ability to act in the best interests of the Corporation, other than interests arising from shareholding. In defining an unrelated director, the TSX guidelines place emphasis on the ability of a director to exercise objective judgment, independent of management.

On an application of these definitions, six of the Corporation's seven existing and proposed directors are unrelated. The related director of the Corporation is Patrick Evans, the President and Chief Executive Officer of the Corporation.

### ***Independence of the Board from Management***

The Corporation's corporate governance structure recognizes the value of separating the offices of chair and CEO. Patrick Evans is the Corporation's President and Chief Executive Officer and the Board is chaired by Jonathan Comerford.

The Board meets as necessary in the absence of management to ensure the Board's functional independence from management.

The Corporation recognizes the desirability of directors being able to consult outside professional advice, as appropriate, in the discharge of their duties.

### ***Size of the Board***

A board of directors must have sufficient directors to carry out its duties efficiently, while presenting a diversity of views and experience. The Board reviews the contributions of directors and considers whether the current size and make-up of the Board promotes effectiveness and efficiency.

## **Board Committees**

The Board has three committees: the Audit Committee, the Compensation Committee, and the Corporate Governance Committee. Each of these committees is comprised solely of non-management directors, each of whom is also unrelated. The committees, their mandates and memberships are outlined below.

### ***Audit Committee***

#### *Composition*

As of the date hereof, the Audit Committee is composed of Jonathan Comerford, Carl Verley and David Whittle (Chair), all of whom are unrelated directors. All of the members of the Audit Committee are financially literate within the meaning of Section 1.5 of Multilateral Instrument 52-110. The Audit Committee meets with the independent auditors to review and inquire into matters affecting financial reporting matters, the system of internal accounting and financial controls and procedures, and the audit procedures and audit plans. The Audit Committee also recommends to the Board the auditors to be appointed. In addition, the Audit Committee reviews and recommends to the Board for approval the annual financial statements, the annual report and certain other documents required by regulatory authorities. During the most recently completed financial year, the Audit Committee met four times.

The text of the Corporation's Audit Committee Charter is attached as Appendix 2 to this Circular. The Audit Committee pre-approves all audit services to be provided to the Corporation by its independent auditors. The Audit Committee's policy regarding the pre-approval of non-audit services to be provided to the Corporation by its independent auditors is that all such services shall be pre-approved by the Audit Committee. Non-audit services that are prohibited to be provided to the Corporation by its independent auditors may not be pre-approved. In addition, prior to the granting of any pre-approval, the Audit Committee must be satisfied that the performance of the services in question will not compromise the independence of the independent auditors. Since the enactment of the Sarbanes-Oxley Act of 2002, all non-audit services, performed by the Corporation's auditor, for the fiscal year ended March 31, 2007, have been pre-approved by the Audit Committee of the Corporation. No non-audit services were approved pursuant to the *de minimis* exemption to the pre-approval requirement.

#### *Audit Fees*

"Audit Fees" are the aggregate fees billed by KPMG for the audit of the Corporation's consolidated annual financial statements, assistance with interim financial statements, attestation services that are provided in connection with statutory and regulatory filings or engagements, services associated with registration statements, prospectuses, periodic reports and other documents filed with securities regulatory bodies and stock exchanges and other documents issued in connection with securities offerings and admissions to trading, and assistance in responding to comment letters from securities regulatory bodies, and consultations with the Corporation's management as to accounting or disclosure treatment of transactions or events and/or the actual or potential impact of final or proposed rules, standards or interpretations by the securities regulatory authorities, accounting standard setting bodies, or other regulatory or standard-setting bodies.

Aggregate audit fees billed in fiscal 2007 by KPMG were \$60,182, and the Company was billed \$50,000 for the fiscal year 2006. All such fees were approved by the Audit Committee.

#### *Audit-Related Fees*
